Promotion available from 18th October 2019 to 31st January 2020
www.sony.co.uk/wintercashback

Sony a7R IV

The Sony a7R IV mirrorless camera features a brand new 61MP full-frame sensor. This back-illuminated sensor offers the 1st in its class of dynamic range, capturing a contrast between 17 stops, resulting in a very detailed, smooth image while also creating improved post-capture image quality. Features include a 5.76K video resolution and 100 fps frame rate for 4K video, and sensitive, low-noise ISO expansion for better, naturally clear images.

£3,459

Full-frame perfection

Image: Sony a7R IV

Sony a7R III

The a7R features a 399-point AF system and is capable of AF tracking for continuous shooting up to 10fps* – almost doubling the speed of the a7R II. It also inherits much of what made the previous models so popular such as 4K100 video, a 42MP full-frame sensor and 5-axis image stabilisation.

£3,399

Offers cannot be used in conjunction with any other offer.

Calumet background paper offer the widest choice of colours and sizes available.

Brought to you exclusively by Wex Photo Video, Calumet Background Paper has a long standing tradition in quality and colour consistency* that professional photographers insist on. Choose from over 50 colours including vivid hues, delicate pastels and the essentials, grey, white and black in a range of sizes to suit your studio set up.

Dimensions available

- 1.35 x 11m (53in. x 36ft.) (all colours)
- 2.72 x 11m (107in. x 36ft.) (all colours)
- 2.72 x 25m (107in. x 82ft.) (Arctic White and Black)
- 2.72 x 50m (107in. x 164ft.) (Arctic White)
- 3.55 x 30m (140in. x 98ft.) (White, Black, Smoke Grey and Chromagreen)

*Although every effort is made to ensure consistency, the paper production process may cause slight variations in colour. Chromablue and Chromagreen are two shades in the Calumet range, manufactured to achieve a colour as close as possible to Chromakey Blue and Chromakey Green, within the limitations of paper manufacture. They should therefore not be regarded as exact matches of these two colours. Seal Grey is suitable for use where 18% grey is required.

*Based on a next working day delivery service. Excludes deliveries to Northern Ireland. Not all stores carry all colourways in stock, you can phone ahead of your visit to check availability or order online at wex.co.uk or by phone on 01603 486413
